'Having a growth mindset is about being positive in your learning even when you find things difficult' – Alessandro, Y4A

This week

Year 2 went for a walk around the village on Thursday 6th February looking at human and physical features of the environment as part of their Geography lessons. The children had lots of fun on their walk and a big thank you to all the parents who helped on the day!

In RE, Year 1 have been learning about Christian weddings. We finished off our learning with some pretend weddings!

E-Safety

Some children in school have been talking about using the app Tiktok. Tiktok's terms and conditions state that users need to be at least 13 years old to sign up to it. Please be aware that like all social media Tiktok may contain inappropriate content. Please see our social media policy on our [website](#) for general information about how we hope anyone associated with Grangefield School would use social media.
