An outstanding achievement from two of our children with Madison (Y5) coming 2nd and Lucy (Y4A) coming 3rd. Good luck in your race on Saturday! Well done to all the other children who participated in the tournament – Mrs Phillips and Mrs Hodgetts are very proud of you all.

World Book Day – Thursday 5th March

We would like every child to bring their favourite book with them to school, which they will have the opportunity to read and share throughout the day.

Optional Dressing Up:

- Come fully dressed up as your favourite book character.
- Wear a clue with your school uniform to show who your favourite character (or book) is. We'll have fun guessing!
- Draw your favourite book cover or characters on an 'old' t-shirt to wear with your school uniform.
Please don't feel that costumes need to be brought for this day – see what you can find and make.

 **World Book Day Art Competition** 

Draw, paint or collage your favourite book character

It's free to enter!

Closing date: Monday 2nd March 2020

What have we been doing?

Well done to the Year 6 pupils who took part in Gloucestershire Wildlife Quiz against Gretton before half term and scored 33-31. The quiz tested their knowledge on British wildlife and covered different topics including trees, plants, animals and the shore. Big congratulations to Ana, Alfie, Cameron, Evie and Sophie.

Year 2 have been dressing up as pirates and making boats as part of their 'Over the Ocean Wave' theme.

RealPE

'It has really developed my teamwork and social skills. I love the individual and paired challenges – Josh, Y6'

RealPE is a programme which focuses on the development and upkeep of Fundamental Movements in children. Fundamental Movements are the key skills, (moving, balancing and ball skills), that children should be able to do, to participate confidently and effectively in physical activity and sport. These skills are part of the PE National Curriculum in Key Stage 1 but not KS2. At Grangefield we believe our children need to continue to improve their fundamental skills throughout their time at primary school, which is why we are using this scheme, which runs from Reception to Year 6!

The RealPE scheme not only challenges the children's fundamental movements, but it also gives 'EVERY child the physical literacy, emotional and thinking skills to achieve in PE, Sport and life'. It does this through the 6 different cogs. As a whole school we focus on one cog each half term. For example, the personal cog focuses on the children challenging themselves, being confident to ask for help and being determined to keep on trying when it is hard etc. The cogs will not only help our children in PE but also with their behaviour for learning in all other subjects
